If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

CONSENT FINAL ORDER

Respondent, Hubert A. Campbell, and the Florida Elections Commission (Commission) agree that this Consent Order resolves all of the issues between the parties in this case. The parties jointly stipulate to the following facts, conclusions of law, and order.

FINDINGS OF FACT

1. On December 9, 2020, a referral was filed with the Commission alleging that Respondent violated Florida's election laws.
2. On March 3, 2022, the Commission entered an Order of Probable Cause finding there was probable cause to charge the Respondent with one count of violating Section 106.141(1), Florida Statutes, and one count of violating 106.19(1)(c), Florida Statutes.
3. Respondent has expressed a desire to enter into negotiations directed toward reaching a consent agreement.
4. Respondent and staff stipulate to the following facts:
 - a. Respondent was a 2020 candidate for State Representative, District 107.

b. Respondent failed to timely file the campaign's 2020 Termination Report reflecting the disposition of all remaining campaign funds within 90 days after withdrawing. The campaign's bank records show \$251.97 in surplus campaign funds.

c. Respondent failed to include three bank fees totaling \$45 on the campaign's 2020 Termination Report.

CONCLUSIONS OF LAW

5. The Commission has jurisdiction over the parties to and subject matter of this cause, pursuant to Section 106.26, Florida Statutes.

7. The Respondent and the staff of the Commission have entered into this Consent Order freely and voluntarily and upon advice of counsel.

8. The Respondent shall bear his own attorney's fees and costs that are in any way associated with this case.

9. The Commission will consider this Consent Order at its next available meeting.

10. Respondent voluntarily waives the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal this Consent Order.

11. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall

pay all fees and costs associated with enforcement.

12. Payment of the civil penalty by cashier's check, or money order, good for at least 120 days, or attorney trust account check, is a condition precedent to the Commission's consideration of this Consent Order.

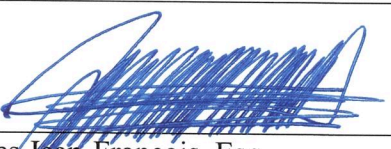

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that the Respondent violated Sections 106.141(1), and 106.19(1)(c), Florida Statutes, and imposes a civil penalty in the amount of \$300.

Therefore, it is

ORDERED that the Respondent shall remit to the Commission a civil penalty in the amount of **\$300**, inclusive of fees and costs. NOTICE OF HEARING (PROBABLE CAUSE DETERMINATION)

A hearing will be held in this case before the Florida Elections Commission on, **November 16, 2021 at 1:00 pm, or as soon thereafter as the parties can be heard**, at the following location: **Florida State Conference Center (Turnbull Center), 555 West Pensacola Street, Room 103, Tallahassee, Florida 32306**. Due to heightened security access requirements, please bring only essential items into the building and plan to arrive early to allow for delays coming through security.

Failure to appear in accordance with this notice will constitute a waiver of your right to participate in the hearing. Continuances will be granted only upon a showing of good cause.

This hearing will be conducted pursuant to Section 106.25, Florida Statutes, which governs your participation as follows:

If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. In addition, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless the Respondent requests to be heard or the Commission requests that the case be considered separately on the day of the hearing, the case will *not* be individually heard.

If you are an Appellant, and you have requested a hearing, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission.

Please be advised that both confidential and public cases are scheduled to be heard by the Florida Elections Commission on this date. As an Appellant, Respondent or Complainant in one case, you will *not* be permitted to attend the hearings on other confidential cases.

The Commission will electronically record the meeting. Although the Commission's recording is considered the official record of the hearing, the Respondent may provide, at his own expense, a certified court reporter to also record the hearing.

If you require an accommodation due to a disability, contact Donna Ann Malphurs at (850) 922-4539 or by mail at 107 West Gaines Street, The Collins Building, Suite 224, Tallahassee, Florida 32399, at least 5 days before the hearing.

See further instructions on the reverse side.

Tim Vaccaro

Executive Director
Florida Elections Commission
November 1, 2021

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Hubert A. Campbell

Case No.: FEC 20-611

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.141(1) and 106.19(1)(c), Florida Statutes**, and **no probable cause** to charge Respondent with violating **Section 106.07(7), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on September 9, 2021, the following facts and law support this staff recommendation:

1. On December 9, 2020, the Florida Elections Commission (“Commission”) received a referral from the Department of State, Division of Elections (“Division”), alleging that Hubert A. Campbell (“Respondent”) violated Chapter 106, Florida Statutes.

2. Respondent was a 2020 candidate for State Representative, District 107. Respondent’s Statement of Candidate form (“DS-DE 84”) was filed on August 31, 2018. (ROI Exhibit 3, page 1)¹

3. By letter dated March 3, 2021, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 107, may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2020 Termination Reporting period.

Section 106.141(1), Florida Statutes: As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 107, failed to timely file his 2020 Termination Report reflecting the disposition of all remaining campaign funds.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 107, may have falsely reported or deliberately failed to include information in his 2020 Termination Report, as required by Chapter 106.

¹ The Report of Investigation is referred to herein as “ROI.”

4. On August 31, 2018, Respondent filed his Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates form (“DS-DE 9”) appointing himself as treasurer for his campaign. (ROI Exhibit 2, page 1) On September 7, 2018, Respondent filed a subsequent DS-DE 9 designating a new campaign depository. (ROI Exhibit 2, page 2)

5. By letter dated September 4, 2018, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2020 active candidate list. (ROI Exhibit 4, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system (“EFS”), and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 4, page 1) The letter further advised Respondent that all the Division’s publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 4, page 2)

Alleged Violation: Section 106.141(1), Florida Statutes

7. Complainant alleged that Respondent violated Florida’s election laws by failing to timely file the campaign’s 2020 Termination Report.

8. Respondent withdrew his candidacy on February 4, 2020. (ROI Exhibit 1, page 1) Respondent was therefore required to dispose of the funds on deposit in his campaign account and file the campaign’s 2020 Termination Report within 90 days after withdrawing.

9. On July 30, 2020, October 19, 2020, and November 2, 2020, the Division sent letters notifying Respondent that his report had not been received. (ROI Exhibits 5 & 6)

10. A subpoena was issued to Respondent’s designated campaign depository to ascertain whether any financial activity occurred during the relevant reporting period, i.e., February 1, 2020 – May 4, 2020. Respondent’s bank records show three bank fees totaling \$45. The account reflected a surplus balance of \$251.97 at the end of the reporting period. (ROI Exhibit 8) (*See ROI*, page 2)

11. Respondent stated he experienced filing difficulties and had been on the telephone with the Division for two to three weeks. (ROI Exhibit 10, page 1) The Division’s History Notes reflect that Respondent’s last correspondence with the Division occurred on September 12, 2018. (ROI Exhibit 11, page 1)

12. Respondent filed the campaign’s 2020 Termination Report on May 25, 2021. The report was 386 days late. (ROI Exhibit 7, page 1)

13. As it appears that Respondent had reportable financial activity during the relevant reporting period, Respondent was required to file the campaign’s 2020 Termination Report within 90 days after withdrawing but failed to do so.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

14. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

15. Respondent failed to include three bank fees totaling \$45 in the campaign's 2020 Termination Report. (ROI Exhibit 8; ROI Exhibit 9, page 3) Instead, the Termination Report shows three cash contributions totaling \$59.97 and one expenditure totaling \$191.97, which were not supported by Respondent's bank records. (ROI Exhibit 9)

16. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

Alleged Violation: Section 106.07(7), Florida Statutes

17. Complainant alleged that Respondent violated Florida's election laws by failing to notify the filing officer on the prescribed reporting date that no report would be filed for the 2020 Termination reporting period.

18. Based on the above analysis, the campaign was not required to submit a notice of no activity for the 2020 Termination reporting period as there was reportable financial activity that Respondent was required to disclose on his 2020 Termination Report.

19. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

20. The facts set forth above show that Respondent was a 2020 candidate for State Representative, District 107. Respondent failed to file the campaign's 2020 Termination Report within 90 days after withdrawing. Respondent deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report. Respondent was not required to notify the filing officer that he would not be filing his 2020 Termination Report because the campaign had reportable financial activity.

Based upon these facts and circumstances, I recommend that the Commission find **no probable cause** to charge Respondent with violating **Sections 106.07(7), Florida Statutes**, and find **probable cause** to charge Respondent with violating the following:

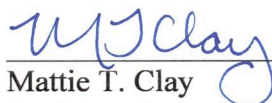

Count 1:

On or about May 4, 2020, Hubert A. Campbell violated Section 106.141(1), Florida Statutes, when he failed to file the campaign's 2020 Termination Report reflecting the disposition of all remaining campaign funds within 90 days after withdrawing.

Count 2:

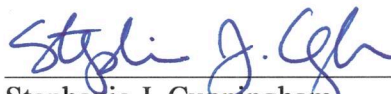

On or about May 4, 2020, Hubert A. Campbell violated Section 106.19(1)(c), Florida Statutes, when he deliberately failed to include information required by Chapter 106, Florida Statutes, on the campaign's 2020 Termination Report.

Respectfully submitted on October 14th, 2021.

Assistant General Counsel

**Report of Investigation
Sections 106.07(7), 106.141(1), and 106.19(1)(c), F.S.**

Case Number: FEC 20-611

Section 106.141(1), Florida Statutes, failure of a candidate to dispose of funds remaining in his campaign account within 90 days after he withdrew, became unopposed, was eliminated, or elected and to file a termination report (TR) reflecting the disposition of all remaining funds.

Sections 106.07(7) and 106.19(1)(c), Florida Statutes, failure of a candidate who did not receive any contributions or make any expenditures during the TR reporting period to notify timely the filing officer, in writing, that no TR is being filed or failure to file a TR to reflect financial activity.

Respondent: Hubert A. Campbell

Respondent’s Atty: N/A

Division of Elections (Division)

Referral Filed: December 9, 2020

I. Preliminary Information:

1. Respondent was a 2020 candidate for State Representative, District 107; he withdrew his candidacy on February 4, 2020. Respondent was a first-time candidate. To review Respondent’s withdrawal letter, refer to Exhibit 1.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on August 31, 2018. Respondent was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 2.¹

3. Respondent filed a Statement of Candidate with the Division on August 31, 2018 in which Respondent certified he had been provided access to read and understand Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 3.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on September 4, 2018 advising Respondent that all candidates filing reports with the Division are required to file by means of the Division’s electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division’s publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook*, and the *Calendar of Reporting Dates*. The letter further advised Respondent that it was Respondent’s responsibility to read, understand, and follow the requirements of Florida’s election laws. To review the acknowledgement letter, refer to Exhibit 4.

¹ Another form was subsequently filed designating a new depository.

6. The Division sent correspondence to the address provided on the DS-DE 9 notifying Respondent that the 2020 TR, or notification that no reportable activity occurred, had not been filed and reiterating that the filing date was May 4, 2020. To review the failure to file correspondence, refer to Exhibit 5.

7. On November 2, 2020, the Division sent a letter marked “Final Notice” with delivery confirmation to the address provided on the DS-DE 9 notifying Respondent that the 2020 TR, or the required notification that no reportable activity occurred, had not been filed. The letter was confirmed delivered on November 6, 2020. To review the letter marked “Final Notice” and delivery confirmation, refer to Exhibit 6.

II. Alleged Violation of Sections 106.07(7), 106.141(1), and 106.19(1)(c), Florida Statutes:

8. I investigated whether Respondent violated these sections of the election laws either by not notifying the filing officer, in writing, that no TR would be filed due to not receiving any contributions or making expenditures during the TR reporting period or by not filing a TR to reflect financial activity during the TR reporting period. I also investigated whether Respondent violated Section 106.141(1), Florida Statutes, by not disposing of all remaining campaign funds within 90 days of withdrawing. To review Respondent’s filing history, refer to Exhibit 7.

Report	Report Cover Period	Due Date	Report or Waiver Required	Exhibit 8 ²
2020 TR	02/01 – 05/04/20	05/04/20	Report ³	8

9. Campaign account records disclose the only activity during the TR period were monthly bank maintenance fees in the amount of \$15.00 each.

10. On the date the TR was due, campaign account records reflect that the balance was \$251.97.⁴ To review the relevant bank statement, refer to Exhibit 8, page 4.

11. Respondent did not respond to the referral.

12. Respondent did not respond to a questionnaire-affidavit. Because the affidavit has not been returned, I am unable to ascertain whether he has read Chapter 106, Florida Statutes, and/or the *Candidate and Campaign Treasurer Handbook*.

13. On May 14, 2021, I called Respondent for the purpose of providing an opportunity to address the allegations made in the referral. I asked Respondent about the status of the 2020 TR; he cited filing difficulties and stated that he has been on the phone with Division staff for two to three weeks, as “their system is jammed.”⁵ I asked about the status of the questionnaire-affidavit. Respondent stated that he had completed and returned it by mail, but it has not been received as of the date of this report. To review the phone log, refer to Exhibit 10.

² I subpoenaed Respondent’s campaign account records from the designated campaign depository.

³ Respondent ultimately filed a 2020 TR on May 25, 2021, which was 386 days late. The 2020 TR was not created in the EFS system until April 30, 2021. Refer to Exhibits 7 and 9.

⁴ Campaign account records show that the account remained open beyond the scope of the subpoena, with minimal account activity. The last balance provided was dated May 29, 2020 and totaled \$236.97.

⁵ On May 17, 2021, I retrieved the Division’s History Notes, which showed that Respondent last contacted the Division on September 12, 2018. To review the History Notes, refer to Exhibit 11.

of the first business day the EFS becomes operable. No fine will be levied during the period the EFS was inoperable.

Any candidate failing to file a report on the designated due date shall be subject to a fine of \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Electronic Receipts

The person submitting the report on the EFS will be issued an electronic receipt indicating and verifying the report was filed. Each campaign treasurer's report filed by means of the EFS is considered to be under oath by the candidate and campaign treasurer and such persons are subject to the provisions of Section 106.07(5), Florida Statutes.

Dear Mr. Campbell:

Our records indicate that you have not filed either your termination report or notification that no reportable activity occurred, whichever is applicable. The filing date was May 4, 2020.

The law (s. 106.07(8)(b), Fla. Stat.) requires the filing officer to immediately notify you about the missed filing date and the automatic fines that will be assessed for late filing of a report, if a report was due.

- If reportable activity occurred and you have not filed a report, statutory fines are automatically assessed as \$50 per day until you file your report. The total fine for the untimely report cannot exceed 25% of the total receipts or expenditures, whichever is greater, for the cover period. Even if you end up filing your report late, we cannot waive the statutory fines. We will notify you of the specific amount of fines owed once you file your report. You have 20 days from the day you receive the notice to pay the fine or to appeal the fine to the Florida Elections Commission.
- If no reportable activity occurred for the report date(s), you are still required to notify us in writing, via the Division's Electronic Filing System, that no reportable activity occurred. No automatic fines are statutorily assessed.

However, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

If you have any questions, please contact the help desk at (850) 245-6280.

Sincerely,

Kristi Reid Willis, Chief

Dear Mr. Campbell:

Our records indicate that you have not filed either your termination report or notification that no reportable activity occurred, whichever is applicable. The filing date was May 4, 2020.

We mailed, via regular mail, the first notice of the failure to file the above-mentioned report or notification to the address on file with our office on July 30, 2020.

The first notice which we provided to you specifically explained the automatic fine provisions in the law (s. 106.07(8)(b), Fla. Stat.) for failure to file a required report. Such fines are continuing to accrue for a late-filed report. Also, that notice explained that if no reportable activity occurred for the report date(s), you are still required to provide notification in writing that no reportable activity occurred. Our initial notice further indicated that, in all cases, failure to file and/or untimely filing of a report of reportable activity, or if applicable, a notice that no reportable activity occurred, may constitute an apparent violation of chapter 106, Fla. Stat. If we refer such matter to the Florida Elections Commission, the Commission may subsequently impose a civil penalty for each violation under chapter 106.265(1), Fla. Stat.

Phone #: 786-287-4246

Summary: I was able to speak with Mr. Campbell; I asked about the Affidavit of Background Information (that was confirmed as delivered in April 2021). R stated that he'd completed the Affidavit and mailed it back via USPS. I told R I'd wait to get the copy thru the mail. I tried confirming the case # associated with the Affidavit, but R was unable to do so, as he was away from home. I asked about the status of the 2020 Termination Report (it was due in May 2020 and remains unfiled). R claimed that he has been on the phone with the Division for 2-3 weeks because: "their system is jammed." I asked if he was talking about the EFS system and uploading the report; he said "yes." He said he was on the phone with the Division this morning at 9am. (Note: I will be requesting history log/notes from DOE to confirm). We left the call with the understanding that I'll be awaiting the completed (and notarized) affidavit.

RE: Case No.: FEC 20-611; Respondent: Hubert A. Campbell

Dear Mr. Campbell:

On December 9, 2020, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

Section 106.07(7), Florida Statutes: As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 107, may have failed to notify the filing officer on the prescribed reporting date that no report would be filed on that date because he had not received funds, made contributions, or expended reportable funds during the 2020 Termination Reporting period.

Section 106.141(1), Florida Statutes: As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 107, failed to timely file his 2020 Termination Report reflecting the disposition of all remaining campaign funds.

Section 106.19(1)(c), Florida Statutes: As alleged in the complaint, Respondent, a 2020 candidate for State Representative, District 107, may have falsely reported or deliberately failed to include information in his 2020 Termination Report, as required by Chapter 106.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Hubert A. Campbell
March 3, 2021
Page 2
FEC 20-611

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Courtenay Harrold Sheppard**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Courtney.Harrold@myfloridalegal.com.
