If you are the Respondent, you may attend the hearing, and you or your attorney will have *5 minutes* to present your case to the Commission. However, some cases (including those in which consent orders or recommendations for no probable cause are being considered) may be decided by an *en masse* vote and, unless you request to be heard or the Commission requests that your case be considered separately on the day of the hearing, your case will *not* be individually heard.

If you are the Complainant, you may attend the hearing, but you will *not* be permitted to address the Commission. Florida Elections Commission

Please refer to the information below for further instructions related to your particular hearing:

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

F.O. No.: FOFEC

Anthony Eldon,
Respondent.

CONSENT FINAL ORDER

Anthony Eldon ("Respondent") and the Florida Elections Commission ("Commission") agree that this Consent Order resolves all issues between the parties in this case. The parties jointly stipulate to the following facts, conclusions of law, and order.

FINDINGS OF FACT

1. On May 19, 2021, the Commission received a referral from the Florida Division of Elections ("Division" or "Complainant") alleging that Respondent violated Florida's election laws.

2. On September 12, 2025, the Commission entered an Order of Probable Cause finding there was probable cause to charge Respondent with four (4) counts of violating Section 106.07(5), Florida Statutes, and six (6) counts of violating Section 106.19(1)(d), Florida Statutes.

3. Respondent has expressed a desire to enter into negotiations directed toward reaching a consent agreement.

4. Respondent and staff stipulate to the following facts:

   a. Respondent was a candidate for State Senator, District 21, in the 2020 election.

b. Respondent was a first-time candidate and was selected to replace his party's nominee on the general election ballot.

c. Respondent appointed Shakira Rolle to serve as the campaign's treasurer.

d. Respondent's Statement of Candidate form was filed on August 21, 2020.

e. Respondent was defeated in the general election held on November 3, 2020.

f. Respondent certified that the campaign's 2020 G1 Report was true, correct, and complete when it was not.

g. Respondent omitted a personal loan to the campaign for $1,800.00, which funded his qualifying fee.

h. Respondent certified that the campaign's 2020 G3 Report was true, correct, and complete when it was not.

i. Respondent used personal funds to cover an expenditure for Alpha Fortius Consulting. The transaction was reflected as a distribution but was mistyped as $200.00 instead of $500.00.

j. Respondent certified that the campaign's 2020 G4 Report was true, correct, and complete when it was not.

k. The report omitted the expenditure recipient of a $250.00 transaction for campaign masks and shirts. The transaction was reported as a distribution and reimbursement to Respondent without disclosing the entity's information as required under Section 106.021(3)(b), Florida Statutes.

l. Respondent certified that the campaign's 2021 Termination Report was true, correct, and complete when it was not.

m. The report omitted an ATM cash withdrawal totaling $500.00 and a Facebook expenditure totaling $900.00.

n. Respondent made five (5) cash withdrawals within the week following the termination period, which totaled $2,500.00.

o. Respondent's campaign was launched spontaneously following the withdrawal of the political party's nominee.

p. Due to issues with the account's paperwork, Respondent could not access the campaign's account, obtain copies of statements, or make purchases until late October. Bank records confirm that no debits occurred until October.

q. Respondent used personal funds during the early part of the campaign and attempted to accurately disclose all transactions via distribution entries.

r. Respondent did not know that he was required to issue loan repayments and reimbursements via check drawn on the campaign account.

s. Respondent would have followed the correct procedures to dispose of the campaign's remaining funds in an appropriate manner had he been aware. Respondent would have issued checks to cover his initial loan of $1,800.00 and his campaign expenses totaling $1,618.18.

t. Respondent voluntarily provided ActBlue and Anedot records to Commission staff, provided his own bank account statements to corroborate the identified distributions and reimbursements, and has been forthright with Commission staff.

u. Respondent demonstrated mitigating circumstances under Section 106.265, Florida Statutes.

v. Pursuant to Section 106.265(3)(a), Florida Statutes, the gravity of the act or omission is limited. The campaign's funds were disposed of in a prohibited manner, but Respondent's narrative was substantiated, Respondent confirmed his financial activity, and Respondent did not seek reimbursement above that which he spent on the campaign.

w. Pursuant to Section 106.265(3)(b), Florida Statutes, Respondent has no history with the Commission.

x. Pursuant to Section 106.265(3)(c), Florida Statutes, Respondent is currently unemployed, has been unemployed since August 2025, and is actively searching for work.

y. Pursuant to Section 106.265(3)(d), Florida Statutes, Respondent demonstrated good faith efforts by contacting the Division for assistance with the campaign's first report, maintaining contact with the Division during the campaign, and promptly replying to Division notices. Respondent maintained regular contact with the Commission's investigator and actively participated in his case.

CONCLUSIONS OF LAW

5. The Commission has jurisdiction over the parties to and subject matter of this cause pursuant to Section 106.26, Florida Statutes.

6. The Commission staff and Respondent stipulate that staff can prove the facts in paragraph four above by clear and convincing evidence and to the Commission's ability to impose a civil penalty in this case.

7. The Commission does not require that Respondent admit to a violation of law pursuant to Section 106.25(4)(i)1., Florida Statutes.

ORDER

8. Respondent and the staff of the Commission have entered into this Consent Order freely and voluntarily.

9. Respondent shall bear his own attorney's fees and costs that are in any way associated with this case.

10. The Commission will consider this Consent Order at its next available meeting.

11. Respondent voluntarily waives the right to any further proceedings under Chapters 104, 106, and 120, Florida Statutes, and the right to appeal this Consent Order.

12. This Consent Order is enforceable under Sections 106.265 and 120.69, Florida Statutes. Respondent expressly waives any venue privileges and agrees that, if enforcement of this Consent Order is necessary, venue shall be in Leon County, Florida, and Respondent shall pay all fees and costs associated with enforcement.

13. Payment of the civil penalty by cashier's check, money order good for at least 120 days, or attorney trust account check is a condition precedent to the Commission's consideration of this Consent Order.

PENALTY

WHEREFORE, based upon the foregoing facts and conclusions of law, the Commission finds that Respondent violated Section 106.07(5), Florida Statutes, and imposes a civil penalty in the amount of **$1,500.00**.

Therefore, it is

ORDERED that Respondent shall remit to the Commission a civil penalty in the amount of **$1,500.00**, inclusive of fees and costs. The civil penalty shall be paid by cashier's check, money order good for at least 120 days, or attorney trust account check. The civil penalty shall be payable

to the **Florida Elections Commission** and sent to **107 West Gaines Street, Collins Building, Suite 224, Tallahassee, Florida, 32399-6596.**

Respondent hereby agrees and consents to the terms of this Consent Order on this 31st day of March, 2026.

v.

Respondent.

ORDER OF PROBABLE CAUSE

THIS MATTER was heard by the Florida Elections Commission ("Commission") at its regularly scheduled meeting held on August 20, 2025, at 9:00 a.m. via Zoom teleconferencing.

On October 11, 2024, Staff recommended to the Commission that there was probable cause to believe that the Florida Election Code was violated. The facts articulated in Staff's Recommendation are adopted by reference and incorporated herein. Based on the Complaint, Report of Investigation, Staff's Recommendation, and oral statements (if any) made at the probable cause hearing, the Commission finds that there is **probable cause** to charge Respondent with the following violations:

Count 1:

On August 28, 2020, Anthony Eldon violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2020 G1 Report was true, correct, and complete when it was not.

Count 2:

On September 25, 2020, Anthony Eldon violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2020 G3 Report was true, correct, and complete when it was not.

Count 3:

On October 10, 2020, Anthony Eldon violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2020 G4 Report was true, correct, and complete when it was not.

Count 4:

On January 31, 2021, Anthony Eldon violated Section 106.07(5), Florida Statutes, when he certified that the campaign's 2021 Termination Report was true, correct, and complete when it was not.

Count 5:

On February 1, 2021, Anthony Eldon violated Section 106.19(1)(d), Florida Statutes, when he made one prohibited expenditure totaling $500.00.

Count 6:

On February 2, 2021, Anthony Eldon violated Section 106.19(1)(d), Florida Statutes, when he made one prohibited expenditure totaling $500.00.

Count 7:

On February 3, 2021, Anthony Eldon violated Section 106.19(1)(d), Florida Statutes, when he made one prohibited expenditure totaling $500.00.

Count 8:

On February 4, 2021, Anthony Eldon violated Section 106.19(1)(d), Florida Statutes, when he made one prohibited expenditure totaling $500.00.

Count 9:

On February 6, 2021, Anthony Eldon violated Section 106.19(1)(d), Florida Statutes, when he made one prohibited expenditure totaling $500.00.

Count 10:

On February 7, 2021, Anthony Eldon violated Section 106.19(1)(d), Florida Statutes, when he made one prohibited expenditure totaling $500.00.

The Commission finds that it is not in the public interest to proceed further regarding the alleged violations of Sections 106.19(1)(b) and 106.19(1)(c), Florida Statutes, pursuant to Section 106.25(4)(j), Florida Statutes. After considering the rapid events leading to Respondent's candidacy, the origin of the missing activity, and the complications Respondent experienced with his campaign account, Section 106.07(5), Florida Statutes, adequately addresses Respondent's errors and omissions, and Section 106.19(1)(d), Florida Statutes, captures the practical byproduct of Respondent's omissions.

DONE AND ORDERED by the Florida Elections Commission on August 20, 2025.

If this is a hearing to consider **an appeal from an automatic fine**, the Filing Officer has imposed a fine on you for your failure to file a campaign treasurer's report on the designated due date and, by filing an appeal, you have asked the Commission to consider either (1) that the report was in fact timely filed; or (2) that there were unusual circumstances that excused the failure to file the report timely. You are required to prove your case. If the Commission finds that the report was filed timely or that there were unusual circumstances that excused the failure, it may waive the fine, in whole or in part. The Commission may reduce a fine after considering the factors in Section 106.265, Florida Statutes. If the Commission finds that the report was not timely filed and there were no unusual circumstances, the fine will be upheld.

If this is a hearing to consider a **consent order before a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed and become public. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the case will remain confidential, unless confidentiality has been waived.

If this is a hearing to consider a **consent order after a determination of probable cause has been made**, the Commission will decide whether to accept or reject the consent order. If the Commission accepts the consent order, the case will be closed. If the Commission rejects the consent order or does not make a decision to accept or deny the consent order, the Respondent will be entitled to another hearing to determine if the Respondent committed the violation(s) alleged.

If this is a **probable cause hearing**, the Commission will decide if there is probable cause to believe that the Respondent committed a violation of Florida's election laws. Respondent should be prepared to explain how the staff in its recommendation incorrectly applied the law to the facts of the case. *Respondent may not testify, call others to testify, or introduce any documentary or other evidence at the probable cause hearing.* The Commission will only decide whether Respondent should be *charged* with a violation and, before the Commission determines whether a violation has occurred or a fine should be imposed, Respondent will have an opportunity for another hearing at which evidence may be introduced.

If this is an **informal hearing**, it will be conducted pursuant Sections 120.569 and 120.57(2), Florida Statutes; Chapter 28 and Commission Rule 2B-1.004, Florida Administrative Code. At the hearing, the Commission will decide whether the Respondent committed the violation(s) charged in the Order of Probable Cause. The Respondent will be permitted to testify. However, the Respondent may not call witnesses to testify.

Respondent may argue why the established facts in the Staff Recommendation do not support the violations charged in the Order of Probable Cause. At Respondent's request, the Commission may determine whether Respondent's actions in the case were willful. The Respondent may also address the appropriateness of the recommended fine. If Respondent claims that his limited resources make him unable to pay the statutory fine, *he must provide the Commission with written proof of his financial resources* at the hearing. A financial affidavit form is available from the Commission Clerk.

In Re: Anthony Eldon **Case No.: FEC 21-342**
_____/

STAFF RECOMMENDATION FOLLOWING INVESTIGATION

Pursuant to Section 106.25(4)(c), Florida Statutes, undersigned staff counsel files this written recommendation for disposition of the referral in this case recommending that there is **probable cause** to charge Respondent with violating **Sections 106.07(5) and 106.19(1)(d), Florida Statutes**, and that it is **not in the public interest** to proceed further regarding violations of **Sections 106.19(1)(b) and 106.19(1)(c), Florida Statutes**. Based upon a thorough review of the Report of Investigation submitted on July 13, 2023, the following facts and law support this staff recommendation:

1. On May 19, 2021, the Florida Elections Commission ("Commission") received a referral from the Florida Division of Elections ("Complainant" or "Division") alleging that Anthony Eldon ("Respondent") violated Chapter 106, Florida Statutes.

2. Respondent was a candidate for State Senator, District 21, in the 2020 election. (ROI Exhibit 1, page 1; ROI Exhibit 2, page 1)[1] Respondent was a first-time candidate and was defeated in the general election held on November 3, 2020. (ROI, page 1, ¶1; Attachment A, page 2) Respondent was selected to replace his party's nominee on the general election ballot following the nominee's withdrawal. (Attachment A, page 1)

3. Respondent's Appointment of Campaign Treasurer and Designation of Campaign Depository form ("DS-DE 9") and Statement of Candidate form ("DS-DE 84") were filed on August 19, 2020, and August 21, 2020, respectively. (ROI Exhibit 1, page 1; ROI Exhibit 2, page 1) Respondent appointed Shakira Rolle to serve as treasurer for the campaign. (ROI Exhibit 1, page 1)

4. By letter dated May 1, 2023, the Executive Director notified Respondent that Commission staff would investigate the following statutory provisions:

> **Section 106.07(5), Florida Statutes**: Respondent, a 2020 candidate for State Senator, District 21, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.
>
> **Section 106.19(1)(b), Florida Statutes**: Respondent, a 2020 candidate for State Senator, District 21, may have failed to report

[1] The Report of Investigation is referred to herein as "ROI."

one or more contributions required to be reported by Chapter 106, Florida Statutes, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.

Section 106.19(1)(c), Florida Statutes: Respondent, a 2020 candidate for State Senator, District 21, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.

Section 106.19(1)(d), Florida Statutes: Respondent, a 2020 candidate for State Senator, District 21, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.

5. By letter dated August 21, 2020, Kristi Reid Willis, Chief, Bureau of Election Records, sent Respondent a letter acknowledging that the Division had received his DS-DE 9 and that his name was placed on the 2020 active candidate list. (ROI Exhibit 3, page 1)

6. The acknowledgment letter advised Respondent that all candidates filing reports with the Division are required to use the electronic filing system ("EFS") and provided Respondent with a user identification number and initial password to grant access to the EFS. (ROI Exhibit 3, page 1) The letter further advised Respondent that all the Division's publications and reporting forms were available on its website and directed Respondent to print out Chapter 106, Florida Statutes, and the *Calendar of Reporting Dates*, as well as other relevant documents. (ROI Exhibit 3, page 2)

Alleged Violation: Section 106.07(5), Florida Statutes

7. Complainant alleged that Respondent violated Florida's election laws by certifying that one or more campaign treasurer's reports were true, correct, and complete when they were not based upon an apparent deficit balance of $3,269.54 at the end of the termination reporting period. (ROI Exhibit 4, page 1)

8. Under Section 106.07, Florida Statutes, a campaign treasurer's report is required to contain all contributions received and all expenditures made during the reporting period. Each entry must identify the name, address, date, amount, and occupation or purpose of the transaction.

9. When a candidate has appointed a campaign treasurer to handle the recording and filing of the campaign's activities, the candidate still has a duty to read each report and "be alert for any errors which, based on the candidate's own knowledge, appear on the face of the report" prior to signing it. *Diaz de la Portilla v. Fla. Elections Comm'n*, 857 So. 2d 913, 921 (Fla. 3d DCA 2003).

10. If a candidate incurs personal expenses for campaign activities, Section 106.021(3)(b), Florida Statutes, and the Division's Advisory Opinion, DE 06-10, permits reimbursement provided that the candidate identifies the expenditure recipient and all other details customarily required under Section 106.07, Florida Statutes. Reimbursements must be issued via check drawn on the campaign account.

11. The 2021 Termination Report was filed on January 31, 2021, one day before the designated due date. (ROI Exhibit 6, page 6; ROI Exhibit 8, page 1) Respondent reported no contributions, eleven expenditures totaling $6,863.41, and five distributions totaling $3,100.00. (ROI Exhibit 6, pages 2, 3 & 5) Respondent later deleted the distributions and added the transactions as reimbursement expenditures. (ROI Exhibit 6, pages 3 & 5)

12. A subpoena was issued to Respondent's designated campaign depository to verify the financial activity that occurred during the relevant reporting period, i.e., October 30, 2020, to February 1, 2021. (ROI Exhibit 6, page 1)

13. Bank records show that Respondent omitted one ATM cash withdrawal totaling $500, one Facebook expenditure totaling $900.00, and two Vantiv expenditures totaling $2.60. (ROI Exhibit 5, pages 2-8; ROI Exhibit 6, page 3)

14. As to Respondent's reimbursements, one transaction for $1,781.82 was incorrectly reported as a distribution and reimbursement when the funds came directly from the campaign account without any prior loans. (ROI Exhibit 6, page 3; Attachment B, pages 1 & 7; Attachment D, page 1) Bank records show that Respondent made a $1,800.00 loan during the 2020 G1 reporting period, which was not disclosed. (ROI Exhibit 7, page 2; Attachment B, pages 1 & 5-6)

15. One distribution to Alpha Fortius Consulting during the 2020 G3 reporting period appears to be legitimate, but Respondent reported the amount as $200.00 instead of $500.00. (ROI Exhibit 7, page 3; Attachment D, page 1)

16. Respondent provided a clipped screenshot of a $250.00 transfer from his checking account to his savings account during the 2020 G4 reporting period. (ROI Exhibit 7, page 4) Respondent alleged that this transaction was an outgoing expenditure to cover campaign masks and shirts, but Respondent omitted the expenditure recipient as required under Section 106.021(3)(b), Florida Statutes. (Attachment D, page 1)

17. Two related distributions for $434.09 during the 2020 G3 and 2020 G4 reporting periods could be legitimate, but the transaction name bears no resemblance to the business name, and no other corroborating evidence was provided by Respondent, such as an invoice. (ROI Exhibit 7, pages 3 & 5; Attachment D, page 1) Commission staff, however, gives Respondent the benefit of the doubt for these transactions.

18. Respondent informed the Filing Officer that the report showed a negative balance due to reimbursements made to Respondent for personal expenses incurred during the early part of the campaign. Respondent stated that the campaign was launched spontaneously following the withdrawal of the political party's nominee. Respondent stated that, due to issues with the

account's paperwork, the bank only allowed him to accept contributions but not make purchases until late October. Respondent stated that he spent personal funds on behalf of the campaign with the expectation of being reimbursed at a later time. (ROI Exhibit 10, page 1)

19. Respondent stated to Commission staff that he was a first-time candidate. Respondent stated that he was thrown into the race six weeks before the election after his party's nominee withdrew and the party approached him to go on the ballot. Respondent stated that there were issues with his bank account. The account was set up in September, but he was unable to withdraw money or make expenditures until October or November. Respondent stated that, at first, he was not able to properly access the campaign's account and did not receive copies of monthly statements. Respondent stated that he used his personal account to cover early expenses but ultimately used one account for the campaign. Respondent did not recall reading or receiving either Chapter 106, Florida Statutes, or the *Candidate and Campaign Treasurer Handbook*. (ROI Exhibit 11, pages 2-3)

20. Respondent's early bank statements confirm that, but for the qualifying fee check that originated from the campaign's account, no debits occurred until October. (ROI Exhibit 5, page 2; Attachment B, pages 1-4)

21. Respondent certified that the campaign's 2020 G1, 2020 G3, 2020 G4, and 2021 Termination Reports were true, correct, and complete when they were not.

Alleged Violation: Section 106.19(1)(d), Florida Statutes

22. Complainant alleged that Respondent violated Florida's election laws by making or authorizing one or more prohibited expenditures based upon an apparent deficit balance of $3,269.54 at the end of the termination reporting period.

23. Pursuant to Section 106.11, Florida Statutes, candidates must make expenditures by means of debit card purchases or bank checks drawn upon their designated campaign account. Candidates may make petty cash expenditures pursuant to Section 106.12, Florida Statutes, but cash expenditures are prohibited after the decisive election.

24. Within 90 days after the decisive election resulting in the defeat of a candidate, candidates must dispose of the campaign's funds pursuant to Section 106.141, Florida Statutes. Candidates may reimburse themselves for loans previously made to the campaign provided that the campaign account has sufficient funds to repay the loan and that all reimbursements are issued via campaign check.

25. Respondent's bank account reflected that no deficit occurred during the campaign. (ROI Exhibit 5, pages 1-8; Attachment B, pages 1-4) Instead of a net deficit balance, the account reflected a surplus balance of $3,099.54 at the end of the reporting period. (ROI Exhibit 5, page 8)

26. Bank records show that Respondent did not dispose of the campaign's funds properly. Respondent made six ATM cash withdrawals totaling $3,000.00, one of which occurred

during the termination reporting period and the remainder occurring within one week after the deadline. (ROI Exhibit 5, page 8; ROI Exhibit 6, page 3)

27. Bank records also show that one counter withdrawal occurred during the 2020 G5 reporting period, which totaled $5,008.00. (ROI Exhibit 5, page 2) However, the withdrawal was made by the campaign's treasurer, and the transaction displayed a handwritten note stating, "Pay to: Alpha Fortius Consultants, Inc." (Attachment B, page 8) Though technically impermissible, it does not appear that Respondent willfully made this prohibited expenditure.

28. Respondent stated that he used his personal account to cover the campaign's early expenses and later reimbursed himself with close-out account money. (ROI Exhibit 11, page 3)

29. It appears that Respondent made six prohibited expenditures totaling $3,000.00.

Alleged Violation: Section 106.19(1)(b), Florida Statutes

30. Complainant alleged that Respondent violated Florida's election laws by failing to report one or more contributions based upon an apparent deficit balance of $3,269.54 at the end of the termination reporting period.

31. Respondent reported no contributions on the 2021 Termination Report. (ROI Exhibit 6, page 2) Respondent's bank statements show that Respondent received four Vantiv deposits totaling $23.25. (ROI Exhibit 5, pages 2, 4 & 6) Despite this, it appears that the deposits were automatic and may have been returned. (ROI Exhibit 5, pages 4 & 6-7)

32. It does not appear that Respondent willfully failed to report one or more contributions on the campaign's 2021 Termination Report.

33. As previously discussed, Respondent failed to report an $1,800.00 loan to the campaign during the 2020 G1 reporting period. Respondent cites this transaction as one source for his reimbursements; therefore, this contribution is one that must be reported under Section 106.19(1)(b), Florida Statutes. Nonetheless, it would not serve the public interest by proceeding further. Strictly considering the rapid events leading to Respondent's candidacy, the origin of the contribution, and the complications Respondent experienced with his campaign account, Section 106.07(5), Florida Statutes, appears to be a sufficient avenue for addressing the omission itself, and Section 106.19(1)(d), Florida Statutes, captures the effects of Respondent's omission.

Alleged Violation: Section 106.19(1)(c), Florida Statutes

34. Complainant alleged that Respondent violated Florida's election laws by falsely reporting or deliberately failing to include information required by Chapter 106, Florida Statutes, on one or more of the campaign's reports due to an apparent deficit balance of $3,269.54 at the end of the termination reporting period.

35. Based on the above analysis, it does not appear to be in the public interest to pursue this violation. Respondent has been cooperative throughout the Commission's investigation, and

the identified omissions and errors are appropriately targeted by Sections 106.07(5) and 106.19(1)(d), Florida Statutes.

36. "Probable Cause" is defined as reasonable grounds of suspicion supported by circumstances sufficiently strong to warrant a cautious person in the belief that the person has committed the offense charged. *Schmitt v. State*, 590 So. 2d 404, 409 (Fla. 1991). Probable cause exists where the facts and circumstances, of which an [investigator] has reasonably trustworthy information, are sufficient in themselves for a reasonable man to reach the conclusion that an offense has been committed. *Department of Highway Safety and Motor Vehicles v. Favino*, 667 So. 2d 305, 309 (Fla. 1st DCA 1995).

37. The facts set forth above show that Respondent was a candidate for State Senator, District 21, in the 2020 election. Respondent certified that the campaign's 2020 G1, 2020 G3, 2020 G4, and 2021 Termination Reports were true, correct, and complete when they were not. Respondent made six prohibited expenditures while disposing of the campaign's remaining funds. Respondent failed to disclose a contribution that was required to be reported. However, the public interest would not be served by proceeding further regarding violations of Sections 106.19(1)(b) and 106.19(1)(c), Florida Statutes, as other sections of law capture Respondent's acts and omissions.

Based upon these facts and circumstances, I recommend that the Commission **dismiss the alleged violations of Sections 106.19(1)(b) and 106.19(1)(c), Florida Statutes**, pursuant to Section 106.25(4)(j), Florida Statutes, as the public interest would not be served by proceeding further. I recommend that the Commission find **probable cause** to charge Respondent with violating the following:

Count 1:

Respondent: Anthony Eldon
Respondent's Atty: N/A

Division of Elections (Division)
Referral Filed: May 19, 2021

Respondent Type: Candidate

Additional Section(s): None

I. Preliminary Information:

1. Respondent was a 2020 candidate for State Senator, District 21; he was defeated in the general election held on November 3, 2020. Respondent was a first-time candidate.

2. An Appointment of Campaign Treasurer and Designation of Campaign Depository (DS-DE 9) was filed on August 19, 2020. Shakira Rolle was appointed as campaign treasurer. To review the DS-DE 9, refer to Exhibit 1.

3. Respondent filed a Statement of Candidate with the Division on August 21, 2020, in which Respondent certified he had been provided access to read and understand the requirements of Chapter 106, F.S. To review the Statement of Candidate, refer to Exhibit 2.

4. An acknowledgement letter was mailed to the address provided on the DS-DE 9 on August 21, 2020. The letter advised Respondent that all candidates filing reports with the Division are required to file by means of the Division's electronic filing system (EFS). Respondent was provided with a user identification number and initial password allowing access to the EFS.

5. The acknowledgement letter also advised Respondent that all of the Division's publications and reporting forms are available on their website, including Chapter 106, Florida Statutes, the *Candidate and Campaign Treasurer Handbook* and the *Calendar of Reporting Dates*. The letter further advised that it was Respondent's responsibility to read, understand, and follow the requirements of Florida's election laws. To review the acknowledgement letter, refer to Exhibit 3.

II. Alleged Violation of Section 106.19(1)(d), Florida Statutes:

6. I investigated whether Respondent violated this section of the election laws by making or authorizing one or more expenditure(s) prohibited by Chapter 106, Florida Statutes.

7. The Division's Sum of Contributions vs. Expenditures report showed an apparent deficit balance in the following reporting period(s): 2021 Termination Report (TR). To review the report, refer to Exhibit 4.

8. I reviewed bank records from the designated campaign depository covering the following reporting period(s): 2021 TR.[1] There were no instance(s) during that timeframe in which the campaign account balance was negative. To review the bank records, refer to Exhibit 5.

III. Alleged Violation of Sections 106.07(5), 106.19(1)(b), and 106.19(1)(c), Florida Statutes:

9. I investigated whether Respondent violated these sections of the election laws by certifying that one or more campaign treasurer report(s) were true, correct, and complete when they were not, failing to report one or more contribution(s), and falsely reporting or deliberately failing to include information in one or campaign treasurer report(s) due to an apparent deficit balance in the following reporting period(s): 2021 TR.

10. I reviewed bank records from the designated campaign depository and compared them with campaign treasurer report(s) covering the following reporting period(s): 2021 TR.[2] The results of my review are reflected in the table below. To review the bank records, refer to Exhibit 5. To review the campaign treasurer report(s), refer to Exhibit 6. To review financial records provided by Respondent, refer to Exhibit 7. To review Respondent's filing history, refer to Exhibit 8.

Comparison of Campaign Treasurer Report(s) with Bank Records

Report & Dates Due/Filed	Reporting Period & Document Filed	Information on Report	Information from Bank
2021 TR 2/1/21 1/31/21	10/30/20 – 2/1/21 Report	· $18.00 expenditure to SunTrust on 10/30/20 · $380.16 expenditure to Facebook on 11/2/20[3] · $852.18 expenditure to Facebook on 11/2/20[4]	· $15.00 expenditure for bank fee to SunTrust on 10/30/20 · $425.00 expenditure to Facebook on 10/31/20 · $900.00 expenditure to Facebook on 11/1/20

[1] I subpoenaed campaign account records from the designated campaign depository.

[2] The review was reflective of original reports filed and applicable bank records of deposits, debits, bank fees, and checks drawn on the campaign account, but it did not reflect activity associated with online contribution platforms where the investigation was unable to obtain records itemizing the sources of such contributions. Respondent provided records of some online contributions, but they were all made prior to 10/30/20, so those records are not included as an exhibit.

[3] Respondent provided a copy of a dashboard statement that appears to be related to a Facebook ad for which $380.16 was spent over 13 days between 10/21/20 and 11/3/20. However, there is no bank record for a debit in that amount; the closest match for this expenditure through the campaign account is the $425.00 expenditure to Facebook on 10/31/20, which was otherwise unreported. Refer to Exhibit 7, page 6.

[4] Respondent provided a copy of a dashboard statement that appears to be related to a Facebook ad for which $852.18 was spent over 13 days between 10/21/20 and 11/3/20. However, there is no bank record for a debit in that amount; the closest match for this expenditure through the campaign account is the $900.00 expenditure to Facebook on 11/1/20, which was otherwise unreported. Refer to Exhibit 7, page 7.

		· $1,646.77 expenditure to Facebook on 11/2/20[5] · $2,510.29 expenditure to Facebook on 11/2/20 · Not Reported · Not Reported · Not Reported · Not Reported · $1,781.82 expenditure reimbursement to Respondent for "candidate filing fee" on 1/31/21 · $250.00 expenditure reimbursement to Respondent for "campaign clothing (shirts/masks)" on 1/31/21	· $900.00 expenditure to Facebook on 11/2/20 · No Record Found[6] · $539.40 expenditure to Facebook on 11/30/20 · $1.30 expenditure to Vantiv eCommerce on 12/9/20 · $1.30 expenditure to Vantiv eCommerce on 1/11/21 · $500.00 expenditure via ATM cash withdrawal on 2/1/21 · No Record Found[7] · No Record Found[7]

[5] Respondent provided a copy of a dashboard statement that appears to be related to a Facebook ad for which $1,646.77 was spent over 13 days between 10/21/20 and 11/3/20. However, there is no bank record for a debit in that amount; the closest match for this expenditure through the campaign account is the $900.00 expenditure to Facebook on 11/2/20, which was otherwise unreported. Refer to Exhibit 7, page 9.

[6] Respondent provided a copy of a dashboard statement that appears to be related to a Facebook ad for which $2,510.29 was spent over 13 days between 10/21/20 and 11/3/20. However, there is no bank record for a debit in that amount or any other proximate amount. Refer to Exhibit 7, page 8.

[7] The bank records show that six $500.00 cash withdrawals were made between 2/1/21 and 2/7/21; this $3,000.00 in cash withdrawn is nearly equal to the $3,100.00 total for the five reimbursements Respondent reported making to himself on 1/31/21, of which there are no specific campaign account records. Respondent provided redacted copies of partial bank statements from two accounts purporting to document Respondent's use of personal funds to cover the expenses for which he was reportedly reimbursed during the TR period. The amounts of the five debits shown in these records are close or equal to the amounts of reported reimbursements, but these partial records do not identify the name of the account holder or financial institution, and most do not clearly identify the expenditure recipient, so they could not be authenticated as documentation of personal expenses incurred by Respondent on behalf of his campaign for which the reported reimbursements were made. Refer to Exhibit 5, page 8, and Exhibit 7, pages 1-5.

		· $434.09 expenditure reimbursement to Respondent for "campaign literature" on 1/31/21 · $434.09 expenditure reimbursement to Respondent for "campaign literature" on 1/31/21 · $200.00 expenditure reimbursement to Respondent for "consulting fee payment" on 1/31/21	· No Record Found[7] · No Record Found[7] · No Record Found[7]

11. Respondent did respond to the referral by email, but he did not specifically address the substance of the allegations. Rather, he stated, "I am not entirely sure as to what the substance of the complaint is. It seems as though it is just a request for an explanation." Respondent referenced a response sent to the Division. A letter from Respondent purporting to explain the deficit balance in the 2021 TR was filed with the Division on March 10, 2021. In the letter, Respondent explained that the report showed a negative balance due to reimbursements made to Respondent for personal expenses incurred during the early part of the campaign. Respondent asserted that he was unable to make expenditures through his campaign account until October, so he spent personal funds with the expectation of being reimbursed by the campaign at a later date. To review Respondent's email response, refer to Exhibit 9. To review Respondent's letter filed with the Division, refer to Exhibit 10.

12. As noted above, Respondent reported making five reimbursements totaling $3,100.00 to himself on January 31, 2021, and he withdrew $3,000.00 in cash from the campaign account in the first week of February 2021. Respondent provided redacted copies of partial bank statements from two accounts purporting to document Respondent's use of personal funds to cover the expenses for which he was reportedly reimbursed during the TR period. The amounts of the five debits shown in these records are close or equal to the amounts of reported reimbursements, but these partial records do not identify the name of the account holder or financial institution, and most do not clearly identify the expenditure recipient, so they could not be authenticated as documentation of personal expenses incurred by Respondent on behalf of his campaign for which the reported reimbursements were made. To review the financial records provided by Respondent, refer to Exhibit 7, pages 1-5.

13. I called Respondent for the purpose of providing an opportunity to discuss the allegations made in the referral. Respondent explained that he was "thrown into" the campaign less than two months before the general election after the previous nominee withdrew. Respondent stated he was a first-time candidate. Respondent confirmed that he only used one bank account to receive contributions and make expenditures for the campaign, though he added that he had used his personal account to cover out-of-pocket campaign-related expenses early in the campaign. Respondent explained that he reimbursed himself for these personal expenses from the close-out campaign account funds. Respondent stated that he and his campaign treasurer filed the 2021 TR together. Respondent did not recall reading or receiving either Chapter 106, Florida Statutes, or the *Candidate and Campaign Treasurer Handbook*. Respondent added that he was in his early twenties at the time he started the campaign and that it, "ended as soon as it started." To review the phone log, refer to Exhibit 11.

Hello Courtney, this is the first round of documents related to the expenses from 10/1-1/31. Files titled "al fort sue sc with", "clothing sc with", "related to the candidate fee", and "sue sc with" were personal expenses I made on behalf of the campaign and filed reimbursements for. They are in relation to seq #'s 12-16 on the tr expense report. Note* The withdrawal for alpha fortius has 500$ posted, but the reimbursement filed in relation to this only lists 200$, this is due to 200$ being what was left in terms of what funds were available to be reimbursed to me.

Files titled "fbad1-4" are all in relation to expense seq # 4-7.

File titled abfee13 is related to seq # 11.

Contribution reports are provided from Anedot and ActBlue, no other online platforms were used to collect donations online.

I am still working on regaining access to the suntrust campaign account, however suntrust has merged with truist making it difficult to regain access, expect an update on this and the expenses related to seq #s 8-10,3, and 1.

I would also like to indicate that I would like to move toward a settlement.

Let me know if you have any questions, will get back to you on the other files Monday, 5/22/2023.

RECEIVED
DEPARTMENT OF STATE
2021 MAR 10 AM 9:22
DIVISION OF ELECTIONS
TALLAHASSEE, FL

ANTHONY ELDON
"TONY"
FOR STATE SENATE

To whom it may concern,

This notice is in response to correspondence sent by the Department of Elections via mail to the campaign of candidate Anthony "Tony" Eldon. A written response was requested of the campaign explaining the deficit balance of the most recent filing report.

The report shows a negative amount due to reimbursements to Anthony Eldon for purchases he made on behalf of the campaign. The campaign itself was launched very spontaneously due to the nature of the candidate in the race prior on the Democratic ticket dropping out. It took Anthony Eldon a while to set up his bank account for disbursements as until late October his bank (Suntrust) only allowed him to accept contributions but did not allow him to make purchases. This was due to issues in paperwork that arose throughout the start of the campaign (late August) to the time he could start making payments (late October). In the time prior to when Anthony Eldon could make purchases, he would spend his personal funds on behalf of the campaign with the expectation of reimbursement from funds left over from the campaign if any were available.

Please let me know if this correspondence was satisfactory or if more information is requested. Also please send further mail correspondence to the address of 316 20th St East Palmetto FL, 34221. The previous address has been moved out of which is why there was a slight delay in response to the DOE's correspondence.

Thank you for time,

Anthony Eldon

RESPONDENT INTERVIEW MEMO – Call details at #[941-840-8293]

- Who filed the 2021 TR report: you or your campaign treasurer, Shakira Rolle?
  - Respondent stated that he and Ms. Rolle filed it together. I clarified that they did work on the computer and submit it together.
- Has your treasurer, Shakira Rolle, previously worked as a campaign treasurer?
  - No.
- Is this the first campaign either you (or Shakira Rolle) have ever managed?
  - Yes. Respondent explained this was his first campaign. His campaign started because Democratic nominee, Amanda Linton, withdrew. He explained he was "thrown into" the race around 1.5 months prior to election.
- Did you use more than one bank account to receive contributions and/or make expenditures for the campaign? Please explain:
  - Respondent stated that he used only one account for the campaign.
  - **Note**: However, later in the interview, Respondent stipulated that he also used his personal account to cover expenditures early in the campaign.
- Did you and Shakira Rolle both have access to the campaign depository?
  - Yes.
- Who issued checks and withdrew cash from the campaign depository: you or your campaign treasurer?
  - Respondent stated that he did not recall having checks for the campaign account. He reiterated that the campaign (and subsequent account), were: "thrown together at the last minute."
  - Also, Respondent explained they set up the account in September, but there were many issues. He further stated that he was unable to withdraw or make expenditures until October/November.
- Did the bank designate the account as a specific campaign depository?
  - Respondent explained: "we tried several different banks." He said that SunTrust/Truist stated that they could do campaign accounts, whereas other banks couldn't do a campaign account.
  - Respondent cited there were lots of problems with staff and bank paperwork; he claimed staff weren't trained in opening campaign accounts.
  - Respondent stated that, initially, he wasn't able to do much (or properly access) the account.
  - Lastly, Respondent claimed he never received copies of his bank records or monthly statements. He explained he had to fax a request for records to the bank.
- Current errors within the 2021 TR show $3,100 in reimbursements to yourself. Do you recall which reporting periods show your original $3,100 (as loans), that would require reimbursement?
  - Respondent claimed he wasn't able to use the campaign depository for expenditures early during the campaign.
  - Respondent stated: "We bought things we needed immediately… like candidate filing fee. I paid money for that."
  - **Note**: Respondent claims he used his personal bank account to cover expenditures associated with the campaign early-on and later reimbursed himself via campaign funds.
- Can you please explain how you (or the treasurer) closed out the campaign depository?

    - Respondent stated that he does not recall who closed out the SunTrust/Truist account.
    - Respondent also reiterated the problems he experienced with bank staff.
    - **Note**: Respondent states that he notified DOE about using his personal bank account via a letter of explanation.
- Was there ever a surplus or deficit in the account?
    - No. Respondent stated that whatever funds he previously spent on the campaign (prior to accessing the campaign account), he reimbursed himself with close-out account monies.
- Have you ever run for public office?
    - No. Respondent explained that, at age 22/23, he was approached by local Democrat party to go on the ballot in place of a candidate who had stepped down.
- Have you ever been appointed to act as a campaign treasurer for a candidate?
    - No.
- Have you ever held the office of chairperson, treasurer, or other similar position for a political committee or electioneering communications organization?
    - No.
- Have you ever prepared or signed a campaign treasurer's report?
    - No.
- Do you possess a copy of Chapter 106, Florida Statutes? If so, when did you first obtain it? Have you read it?
    - No.
- Do you possess a copy of the *Candidate and Campaign Treasurer Handbook*? If so, when did you first obtain it? Have you read it?
    - Respondent did not recall. He stated that he'd have to consult his treasurer.
- Did you receive any other materials from your filing officer?
    - Respondent did not recall receiving any other materials.
- Do you have anything else to add for the Commission's consideration regarding the charges specified in the letter of legal sufficiency in this case?
    - Respondent reiterated that he was thrown into the campaign at a young age (22 or 23). He stated that the campaign "ended as soon as it started."

I am still attempting to regain access to my former bank account, it was with Suntrust which merged with Truist. It seems they may or may not have the actual records due to them possibly being lost in the merger process. That being said, all hope isn't lost as a customer service rep confirmed that the accounts looks as though it may have existed. He sadly was unsure if the logs carried over. Could an extension be provided so that I may get the paperwork, and also can you let me know what you need from me as for as the settlement process goes?

Thank you Courtney,

Anthony Eldon

RE: Case No.: FEC 21-342; Respondent: Anthony Eldon

Dear Mr. Eldon:

On May 19, 2021, the Florida Elections Commission received a complaint alleging that you violated Florida's election laws. I have reviewed the complaint and find that it contains one or more **legally sufficient allegations**. The Commission staff will investigate the following alleged violations:

> **Section 106.07(5), Florida Statutes**: Respondent, a 2020 candidate for State Senator, District 21, may have certified one or more campaign treasurer's reports were true, correct, and complete when they were not, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.
>
> **Section 106.19(1)(b), Florida Statutes:** Respondent, a 2020 candidate for State Senator, District 21, may have failed to report one or more contributions required to be reported by Chapter 106, Florida Statutes, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.
>
> **Section 106.19(1)(c), Florida Statutes:** Respondent, a 2020 candidate for State Senator, District 21, may have falsely reported or deliberately failed to include information required by Chapter 106, Florida Statutes, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.
>
> **Section 106.19(1)(d), Florida Statutes**: Respondent, a 2020 candidate for State Senator, District 21, may have made or authorized one or more expenditures prohibited by Chapter 106, Florida Statutes, based upon an apparent deficit after the 2021 TR report was filed, as alleged in the complaint.

When we conclude the investigation, a copy of the Report of Investigation (ROI) will be mailed to you at the above address. Based on the results of the investigation, a staff attorney will prepare and present a written Staff Recommendation (SR) to the Commission as to whether there is probable cause to charge you, the Respondent, with violating Chapters 104 or 106, Florida Statutes. You will have an opportunity to respond to both the ROI and the SR. The Commission

will then hold one or more hearings to determine whether the alleged violations occurred and, if so, the amount of the fine to be imposed upon you. Notice will be mailed to you and the Complainant at least 14 days before any hearing at which your case is to be considered.

Pursuant to Section 106.25(4)(i)3., Florida Statutes, the Commission may enter into a consent agreement with a Respondent to settle a complaint prior to a finding of probable cause. If you are interested in entering negotiations directed towards reaching a consent agreement to resolve this matter, please contact the Commission and request to speak with the attorney assigned to this case.

Please note that all documents related to this matter will be mailed to the above address unless you notify us of a new address.

Pursuant to Section 106.25, Florida Statutes, complaints, investigations, investigative reports, and other documents relating to an alleged violation of Chapters 104 or 106, Florida Statutes, are confidential until the Commission finds probable cause or no probable cause, unless the Respondent files a written waiver of confidentiality with the Commission. The confidentiality provision does not apply to the Complainant or the Respondent.

Should you retain counsel, your attorney must file a notice of appearance with the Commission before any member of the commission staff can discuss this case with him or her.

For additional information, please refer to the "Frequently Asked Questions" section of the Commission's website.

If you have additional questions, please contact **Courtenay Harrold Sheppard**, the investigator assigned to this case, by phone at (850) 922-4539 or by email at Courtney.Harrold@myfloridalegal.com.

Hello, I received a complaint from the FL FEC complaint notice and wanted to respond. Firstly I am not entirely sure as to what the substance of the complaint is. It seems as though it is just a request for an explanation. Would you be able to provide me with a bit more detail on this? Feel free to contact me here at this email, or to call me at 941-840-8293 between the hours of 10:30pm-2pm or 4-5pm Monday through Thursday.

Thank you so much for your time and I look forward to hearing from you!

Spoke to Mr. Eldon via telephone and let him know that we had returned mail. He informed me that he thought he had updated the address but may have been mistaken. I forwarded the Final Notice via his email address: tonyforflorida@gmail.com along with the "Retum Mail letter' informing Mr. Eldon of the relevant means of how to update his address in the system.

RE: Returned Mail

On April 19, 2021, I made phone contact with Mr. Anthony "Tony" Eldon in reference to the returned mail (2nd Audit Notice) sent on March 12, 2021, and returned undelivered on April 16, 2021. Mr. Eldon confirmed that his address was incorrect. I then provided him with directions on how to update his mailing address through EFS online as he indicated he would comply. He indicated that he was working or correct the errors detailed in the 2020 G2 Report and 2021 Termination Report. The returned documents were then boxed into box #550. DLH
